Gustav Mahler – *Symphony No. 5 in C-sharp Minor*

Our 39th season, the 21st with Music Director William Schrickel, will start via video on Sunday, October 11, at 4pm, on our website home page, with our first Video Musical Event. In this free online video event, Schrickel hosts an exploration of composer Gustav Mahler and his 5th Symphony. Using musical excerpts played by MSO musicians and interviews with MSO collaborators, including conductor Osmo Vänskä, composer Carol Barnett, and mezzo-soprano Clara Osowski, Schrickel will examine Mahler's life and the circumstances under which he composed his 5th Symphony. This event will also feature some MSO musicians telling stories of their own experiences with Mahler's music. Even though we cannot gather together in person, we can still connect through music.
