## *We urge you to join us for our 12th season.*

Composed of 85 talented and dedicated musicians, The Metropolitan Symphony Orchestra continues to bring its audiences music of the very highest professional quality. Concerts throughout the Twin Cities, free of charge to our audiences, ensure that we maintain our mission of serving diverse communities. Highlights of the 1993-94 season include guitarist Joseph Hagedorn, First Prize winner of the 1990 Guitar Foundation of America International Competition and our 1993-94 Metropolitan Symphony Orchestra solo competition winners Kay Scannell and Mark Ulmer performing a double concerto for horn. The season will also feature pianist Gloria Chuang, and a spirited grand finale performance of Respighi's *Pines of Rome*.

Music Director Manny Laureano has led The Metropolitan Symphony Orchestra as its music director since 1987. He has also held the post of principal trumpet with the Minnesota Orchestra since 1981 and has been co-music director of the Minnesota Youth Symphonies since 1988. A native New Yorker, Mr. Laureano was educated at Julliard, was a finalist in the 1975 International Trumpet Competitions and played principal trumpet with the Seattle Symphony before assuming his present appointments here in Minnesota. He is currently on the faculty of the University of Minnesota School of Music.

*"Always an energetic earful, it has been a delight to watch the progress of the Metropolitan Symphony Orchestra over the past few seasons. I continue to take pride in being able to share these performances with Minnesota Public Radio listeners."*

# Please Support The Metropolitan Symphony Orchestra for 1993-94

Private giving is the major source of support for the orchestra. By covering general operating expenses, these funds enable the orchestra to fulfill its mission through commissioning new works, building a music library and featuring professional musicians as soloists with the orchestra. Contributions from individuals fund over half of the orchestra's monetary needs; additional support comes from donations at concerts rather than ticket sales. We invite you to join others in supporting The Metropolitan Symphony Orchestra this season.
